

Live Jazz & Party Music

When it's classy background music you need, followed by dance music, look no further.

André is a classic jazz and soul singer, smooth jazz trumpeter, recording artist, who performs reinterpreted jazz standards, soul ballades and big band classics in the style of Michael Bublé, Frank Sinatra, Ray Charles, and many others, plus party perfect Dance Medleys at wedding and cocktail receptions, private birthday parties and corporate events in and near Gauteng.

Timeless Jazz is the perfect way to improve the venue's ambience and entertain your guests. Adding that classy and elegant touch that suits any occasion - the melodic tunes are a lively background (on arrival, during lunch or dinner service), while Andre's 40 minute **Let's Dance Medleys** after dinner and proceedings, will get your guests to the dance floor.
